PROFESSIONAL SUMMARY

Detail-oriented Computer Applications graduate (BCA) with hands-on experience in full-stack web development using HTML, CSS, JavaScript, Python, and Django. Skilled in designing and building responsive front-end interfaces, secure authentication systems, and scalable backend architectures. Completed an internship applying front-end and back-end technologies to real-world projects. Seeking an entry-level Web Developer / Software Developer role to apply strong programming fundamentals and problem-solving skills.

TECHNICAL SKILLS

Programming Languages: Java, Python, C++, C, PHP, JavaScript, SQL

Web Technologies: HTML5, CSS3, Bootstrap, Django, React.js (basics), Node.js (basics)

Databases: MySQL, MongoDB, Database Design

Tools & Platforms: VS Code, Git, GitHub, PyCharm, Eclipse, MS Office Suite

Operating Systems: Windows, Linux (Ubuntu)

PROFESSIONAL EXPERIENCE

Web Development Intern — Torc Infotech Pvt Ltd, Kochi

May 2025 - Jun 2025

- Applied front-end and back-end technologies (HTML, CSS, JavaScript, Django) to deliver functional, tested web solutions as part of a development team.

ACADEMIC PROJECTS

AI-Based Resume Analyzer and Job Matcher

Personal / Academic Project | Dec 2025 - Mar 2026

- Built a web-based AI-powered platform that automates resume analysis and matches candidates to relevant job postings, streamlining the recruitment process.
- Designed and implemented a secure user authentication system including registration, login, and OTP verification.
- Developed a scalable, secure backend architecture using Django to support core application features.

Intercollege Football Registration Portal

Personal / Academic Project | Jun 2025 - Oct 2025

- Developed a full-stack web application to manage tournament registration, team tracking, and record management for an intercollege sports event.
- Built automated modules for data handling and centralized management using Python and web technologies.
- Improved accuracy and efficiency of sports event coordination through digital automation, reducing manual administrative work.
